### Course Guide

The table above is a general guide only to a selection of organisations in Spain that offer exam preparation courses to international students. In some instances one primary location is listed; multiple locations may be available. A full and unabridged version of this guide will be available on our website: [www.hothousemedia.com](http://www.hothousemedia.com).

### Future Course Guides...

June 2009 High school preparation courses in Canada  
 July 2009 50-plus courses worldwide  
 August 2009 Language plus sports in Australia
