Under-16s in Spain

There are a variety of language courses specifically catering for under-16s in Spain, most also offering a variety of activities such as sports, excursions and other social events. Some programmes give students the chance to mix with Spanish students of the same age, in order to forge new friendships and practise their language skills.

Course Guide

The table below is a general guide only to a selection of schools in Spain offering junior courses. All facts should be checked with the schools. Prices include accommodation costs in some cases. For a school's contact details, fax or email us with its name, location and reference: 'Course Guide OCT02'.
