

Executive French

Learning a language for business purposes requires the acquisition of skills and vocabulary that may not be covered in a general language course. The following language schools in France offer courses specifically geared towards the needs of the business executive.

Many courses are tailored to focus on the skills and vocabulary of a particular business sector. Law, banking, IT, insurance, tourism, accounting and medicine are all possible specialisations available.

Course Guide

The table below is a general guide only to a selection of schools in France offering executive French courses. All facts should be checked with the individual schools listed. For a school's contact details, please email us with its name, location and the reference: "Course Guide OCT/04".
